The Nether Wallop village tennis court is owned and managed by Nether Wallop Parish Council (NWPC). It may be hired for tennis games by residents of Nether Wallop, Over Wallop or others from the surrounding area on a pre-paid basis.

FEES: Games are charged at an hourly rate of £3 per adult (16 plus) per hour or £1.50 per child (0-15 years), starting on the hour and lasting for an hour or multiples thereof, only.

NWPC operates a pre-payment scheme for use of the court. Players wishing to take part should pay an amount in advance to be agreed with the Bookings' Manager. Payment should be made to the Council's account with Lloyds Bank in the name of:

Nether Wallop Parish Council : Sort Code: 30-99-50 Account number : 68324960

Players should use their surname to identify the payment preceded by the word Tennis and should advise the Bookings' Manager (see below) after making a transfer.

Having checked availability, contact the Bookings' Manager, Anthony Whitaker, preferably by WhatsApp on 07776 144333 or by email anthony@troutwines.co.uk, or by calling – 01264 781072. Confirmation of the booking will be sent as a screen shot of the calendar via WhatsApp.

Please note that the calendar will display the surname of the person who has booked. This is an unavoidable condition of the booking system.

At the end of each week those who have played will receive an updated Statement of their account by email and will be invited to top it up if funds are running low.

SECURITY: The tennis court is secured by a padlock with a combination number which changes on a regular basis. Players in the pre-paid scheme will be sent a note of the new number, when it changes, by email, and are asked to acknowledge receipt. They should not divulge this number to anyone outside the scheme. Players should lock the court at the end of their game even if there are other players waiting as they may not be part of the scheme.

CANCELLATIONS: Once the court has been booked, the person booking will be charged unless adequate notice is given in advance of the start time, to allow others to take up the booked slot. Notification of cancellation after the booked start time will not be accepted and the fee will apply.

GENERAL: All players should leave the court in a clean, tidy and safe condition for play. Glass, in particular, should not be brought onto the court. Players must check that the court is suitable for play (risk assess) before play commences. Any concerns regarding the condition of the court in terms of safety or suitability for use should be raised with the Bookings' Manager immediately.

Please note: it is not considered necessary to raise and lower the net between games.
