

To approve the purchase of Speedwatch Equipment (£500)
and to confirm storage details.

Council have already approved the Safe Travel Group spending up to £2,000 on equipment in the 8th March meeting:

5508 A Speedwatch Group would be formed with volunteers from Nether and Over Wallop. Costs totalling £4000 to be split between the two Parishes equally, were approved. Investigation into costing and sourcing the Speedwatch equipment would start. The running of Speedwatch group to be delegated to the Safe Travel Working Group.

The Safe Travel Group have re-approached Tangley Parish Council who are still selling the equipment which was minuted as being for sale in the November 2020 meeting:

5288 Tangley Parish Council have been contacted regarding their advert to sell a Speed Indicator Device. The cost was thought to be £1200. The subject would be revisited if the SAFE TRAVEL survey showed that a speedwatch team might be possible.

Councillors to note that the cost of the device has been reduced to £1,000 and that costs will be split equally between NWPC & OWPC.

The SID will be purchased in the next month and councillors are to decide on following:

- 1. Which council should record on their asset register**
- 2. Which council should insure the equipment**
- 3. Where the equipment will be stored.**
