

Highways Maintenance Newsletter

May 2019

Hampshire Highways is committed to going the extra mile for Hampshire's communities and has established the Hampshire Highways Charter which sets out how the service aims to improve the public perception of the work we do.

This includes a pledge to ensure parish councils are kept up to date about works in their local area, that work sites are kept clean and tidied up afterwards, and adding extra value at no additional cost. Our Skanska colleagues in Hampshire Highways are also committed to using one day a year to support their local communities and charities.

So far, they have used these 'Lend a Hand' days to renovate part of a playground for students with learning disabilities at Hook-with-Warsash CofE Primary School, clear space at Wicor Primary School in Waterlooville for planting in their ecological area, and re-bed an area for plant growth at Furzey Gardens in the New Forest for the Minstead Trust.

Countywide Statistics for April 2019

229

Emergencies attended

13,697

Square metres of carriageway resurfacing

7

Operation Resilience planned works complete

8,070
