

NETHER WALLOP PARISH COUNCIL

To note the resignation of the Council’s auditor and to **appoint a new auditor for the half year Audit later in the month.**

<p>Hi Gail. I have had time since I have been away on leave to think whether I want to continue as the Internal Auditor for Nether Wallop PC. As per our recent discussions about the way the Wallops Parish Hall issues have been handled, I have decided to withdraw and therefore will resign as Internal Auditor of the Parish Council. It is disappointing that the issues of the Wallops Parish Hall have overshadowed the good work you have done for the Parish Council but I feel that as per our recent discussions it is right for me to step aside and confirm my resignation. I would suggest that you check out the Internal Audit Forum website for a suitable Internal Auditor replacement. Thank you for your help and support in the past and I hope you will find a replacement that will resolve the issues going forward with the Wallops Parish Hall. I am happy to speak to you when I am home from leave next week.</p> <p>Best wishes Tim Light FMAAT</p>	<p>Tim Light of Lightatouch has been the council’s auditor since the Financial Year 2019/20.</p> <p>He took over from Eleanor Green of “Do the Numbers” who had also been the auditor for several years previously.</p> <p>NWPC <u>were due to have a half year audit on 18th November.</u></p>
